

Syntel by Arvind Successfully Sails International Waters

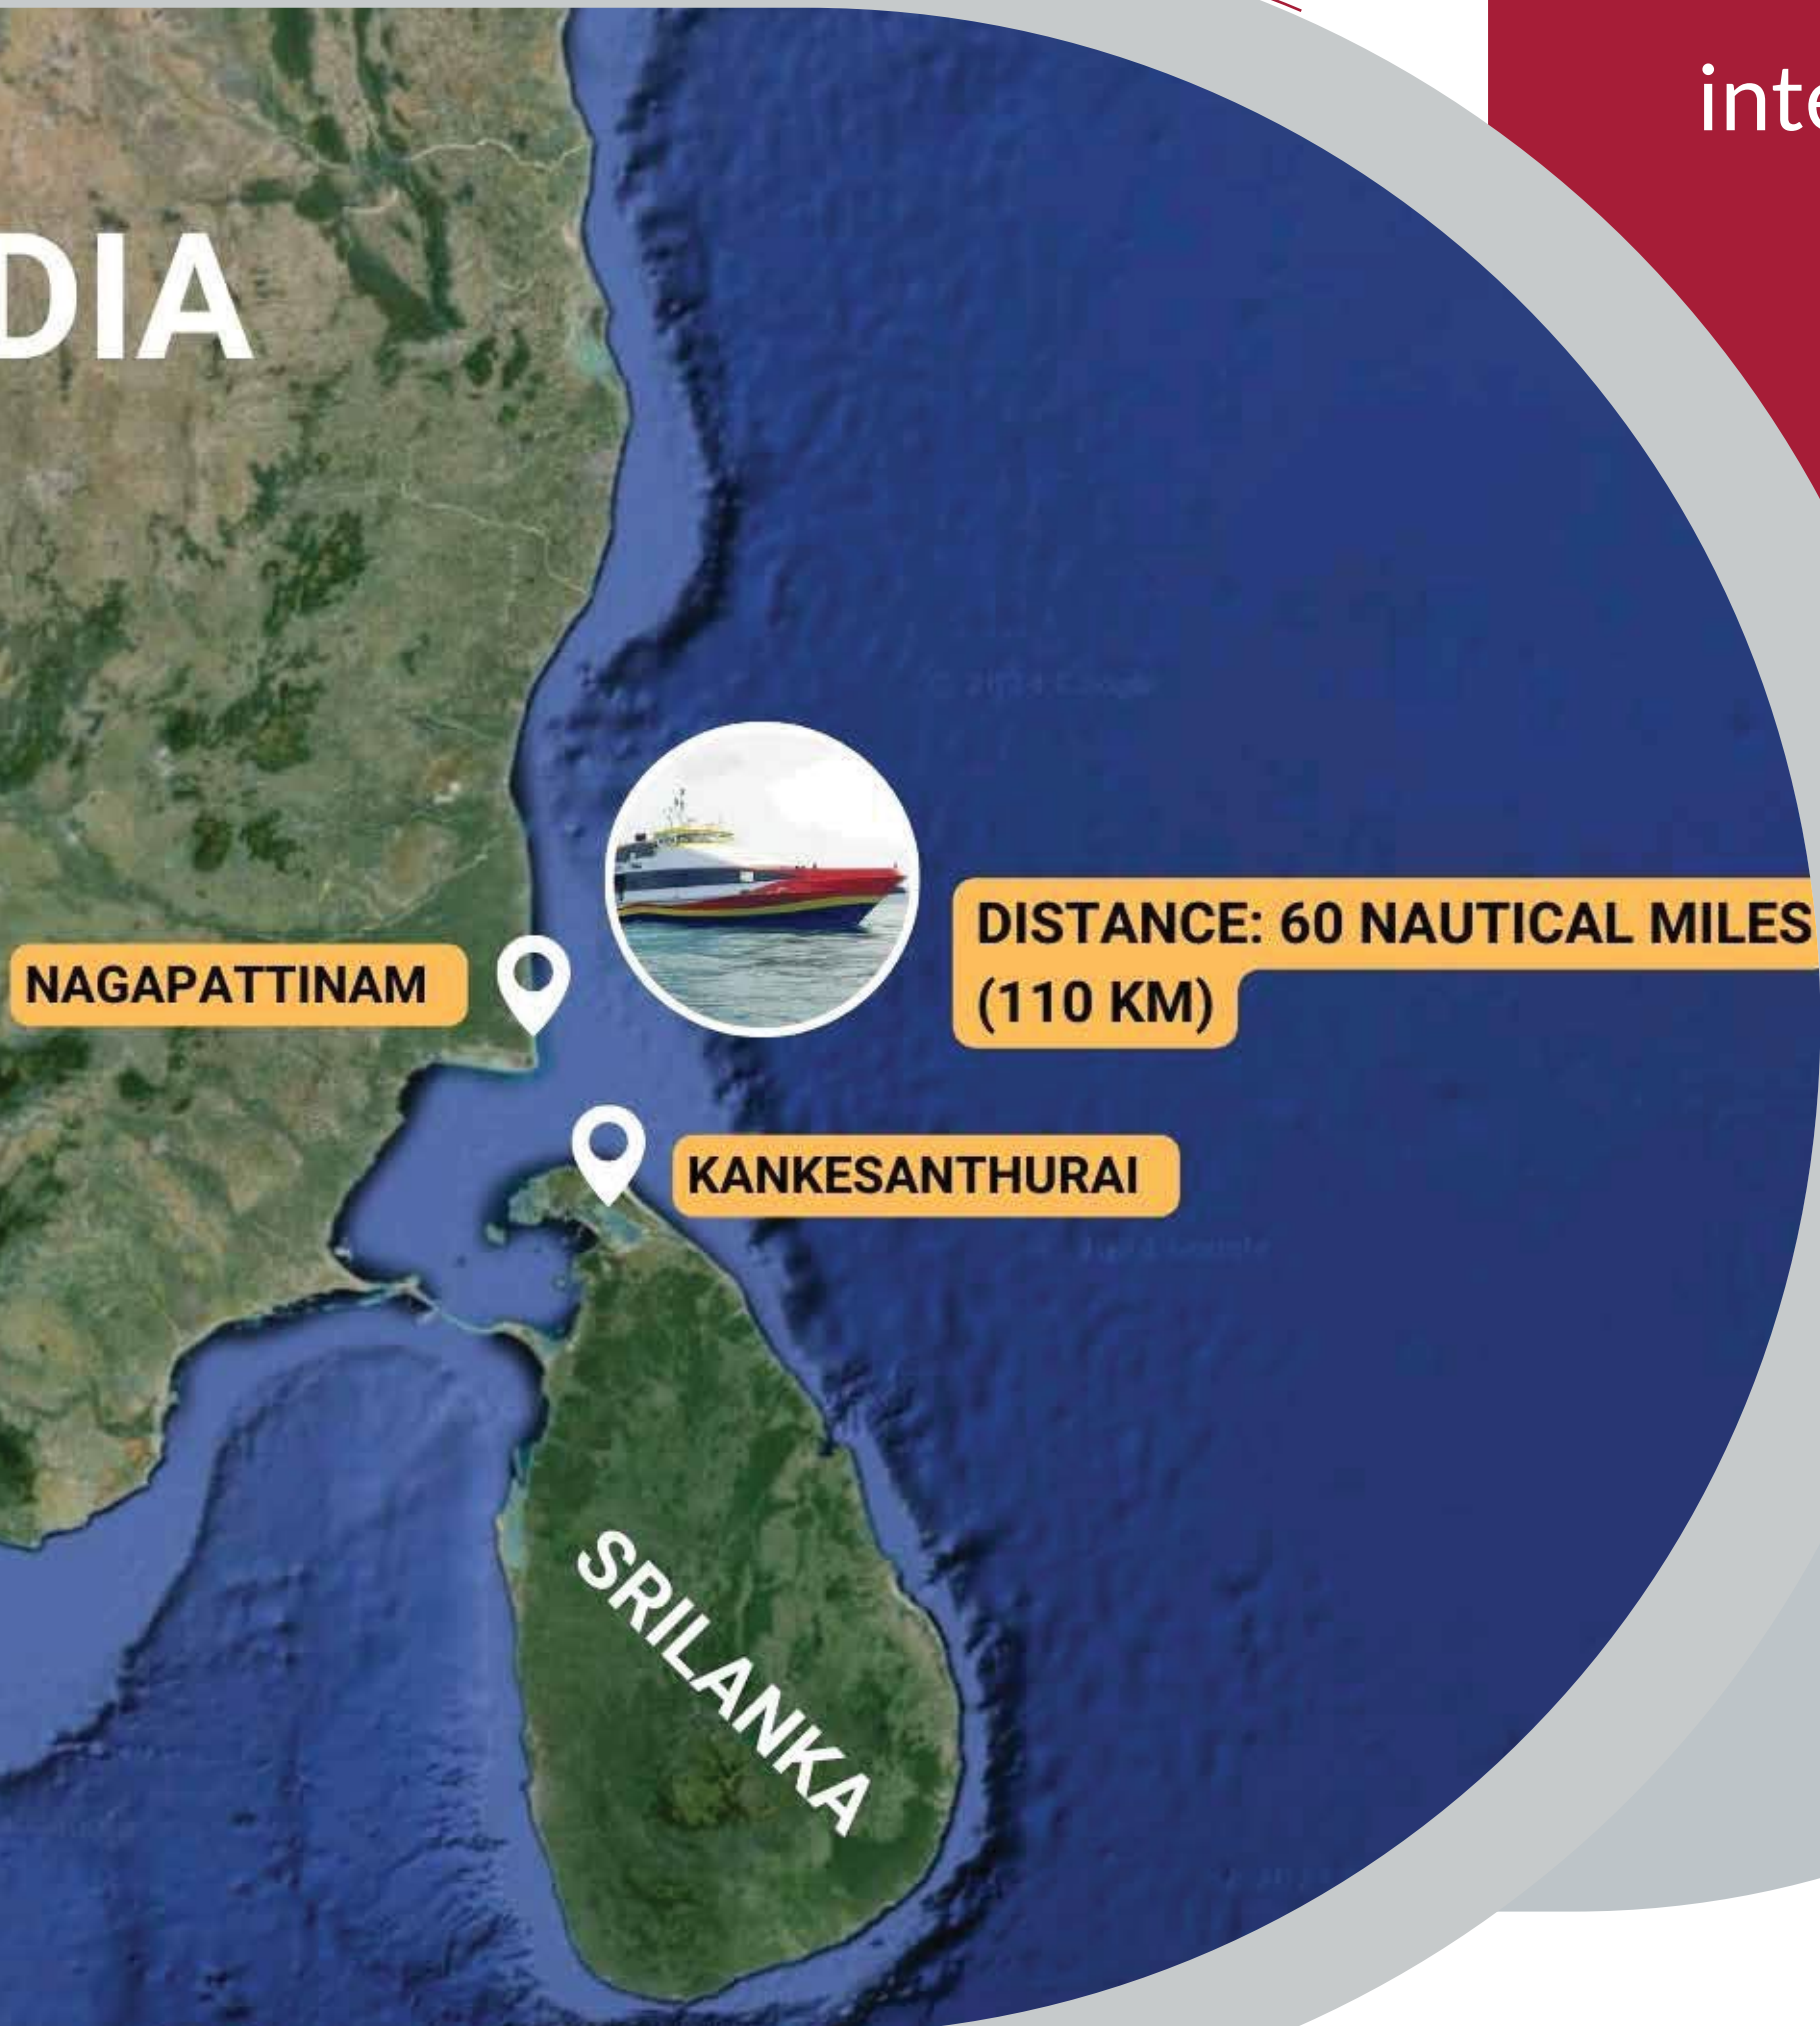

Our surveillance cameras will now be seen aboard a cross-border ship

Syntel by Arvind's state-of-the-art NT Series cameras are designed to maximise security for all purposes, everywhere.

Our robust plan of action ensured the seamless integration of NEOS range of surveillance cameras across facilities.

The NEOS range of cameras installed across the ferry are as follows:

- 5MP 30X PTZ Camera | NT-IPS25
- 2 MP Bullet Camera | NT-IBM12
- 2 MP Dome Camera | NT-IDM12
- 2MP Dome Camera | NT-IDN12
- 5 MP DOME CAMERA | NT-IDS15
- 5MP Starlight Bullet Camera | NT-IBS15

It filled us with tremendous pride to carry out a tremendous feat & continue to forge ahead towards greater milestones.
